SWIMMING

The pool at Applegate Retreat is generally available from Memorial Day weekend through Labor Day weekend, weather permitting. Availability at other times is at the discretion of the Site Director and is subject to change. If your group would like to use the pool, please contact the Site Director in advance. The following guidelines will apply:

1. Lifeguard

We will provide a lifeguard for your swimmers.

2. Pool Capacity

There may be restrictions on the number of swimmers in the pool at one time. Please discuss this with the Site Director.

3. Spotters

To ensure safety and stay within organized camping standards at our swimming facilities, all youth groups using the swimming pool at Applegate are required to provide "spotters". The spotters will assist the lifeguard in providing a safe swimming experience for the campers.

The duties of the spotter include:

- ✓ There will be one spotter for every ten persons in the water.
- ✓ Spotters will be trained on how to alert the lifeguard in case of emergency.
- ✓ Spotters will only be trained to perform an elementary form of non-swimming rescue.
- ✓ Spotters will be positioned at the pool so they can observe the swimming area and quickly assist swimmers.
- ✓ The spotter's training will be documented.

Thank you for your help. Our goal is to provide a safe and enjoyable experience for all participants at Applegate Retreat Center.

Please contact the UCCR Site Director with any questions.
